

THIS IS NEW YORK

RESTAURANTS OF THE WEEK

(A selected list of more than 100 restaurants in and around New York which have been featured on the WCBS program "This Is New York" broadcast over station WCBS every day, Monday through Saturday, from 9 to 9:45 A.M.)

Dear Friend:

Here is "This Is New York's" revised 1951 list of more than a hundred interesting and economical restaurants in New York. I sincerely hope you will find this information useful.

Cordially,

Bill Leonard

Please bear in mind that restaurants were visited and revisited over a period of three years and that in that time the quality and prices may have changed for better or worse. It is always advisable to phone for reservations, or, if this is not possible, to arrive before the evening rush hour (7 P.M.).

GUIDE: Restaurants in *Light Face Type* are inexpensive (generally \$2.00 or less).
 Restaurants in **Bold Face Type** are moderately expensive (\$2.00 to \$3.00).
 Restaurants in *Italics* are \$3.00 and up.
 * Restaurants are specially recommended value for the money.
